APR Plastics' Partnership with Wonder Weeks for Wonder Recycling Rewards

The Wonder Recycling Rewards program is a fun and easy recycling program for Aussie schools to participate in. The program encourages Aussie schools to recycle bread bags that might otherwise go to landfill in return for points for their efforts. Points can be redeemed on new sports equipment that kids can play with - championing active play for kids.

In tandem with the Wonder Recycle Rewards program, Wonder is mapping out a roadmap with its new partner, APR Plastics.

To get involved, families can encourage their respective schools to visit the Wonder website https://lnkd.in/gk_xXRY5 for more information and to sign up. Once a school has signed up, they will receive everything they need to get started – it's that easy! Spots are limited, so get in quick! The registration period for Wonder Recycling Rewards ends on the 6th of April, 2023.
